

**Tracy A. Fox, MPH, RD**  
**President, Food, Nutrition & Policy Consultants, LLC**

Tracy Fox, President of Food, Nutrition & Policy Consultants, LLC has over 20 years of experience working in the federal government and the private sector, and has extensive experience in federal nutrition policy and the legislative and regulatory process. Her clients include/have included Federal, State and local agencies including the US Department of Agriculture, the Centers for Disease Control and Prevention and the Federal Trade Commission, non-profit organizations including the Robert Wood Johnson Foundation, Partnership for a Healthier America, National Center for Physical Development and Outdoor Play, Produce for Better Health Foundation, Action for Healthy Kids, Nemours Foundation, public health departments and educational agencies, grocery store chains and public relations firms, where she provides advice and expertise on policy and nutrition initiatives. Areas of expertise include child nutrition and school health, nutrition education, food labeling and marketing, federal, state and local nutrition policy, advocacy and government relations. She has presented and spoken at national, state and local venues across the country and is quoted and appears regularly in media outlets (print, radio and TV) on subjects including school nutrition, children's health, obesity, and nutrition policy.

Prior to forming her consulting company Ms. Fox was with the Government Relations office of the American Dietetic Association in Washington, D.C. and with the US Department of Agriculture in the food and nutrition assistance arena.

Ms. Fox is past President of the Society for Nutrition Education and Behavior and serves or has served on numerous boards and committees including the Institute of Medicine (IOM School Foods Committee, IOM Childhood Obesity Prevention Actions for Local Governments, and IOM Front-of-Pack Labeling); Feeding America Nutrition Advisory Board; Guiding Stars Scientific Advisory Board; the DC Dietetic Association; Society for Nutrition Education and Behavior; National Cancer Institute; American Academy of Pediatrics; Montgomery County School Health Council and PTA and is a retired Commander in the US Navy Reserves.

Ms. Fox received a Master of Public Health from the University of Pittsburgh Graduate School of Public Health and a Bachelor of Science, cum laude, from Hood College, Frederick, MD. Ms. Fox lives in Washington, DC with her husband and has a daughter and son in college.
